りりいプロジェクト

“Lily project”

This is a project to support women.

Distribute sanitary products free of charge

【For those who have trouble in life】

For those who have difficulty purchasing sanitary napkins for financial reasons The Yuki City Council of Social Welfare distributes sanitary napkins free of charge.

○Handouts

- Sanitary napkin (normal daily use with wings, 22 pieces)
- Female consultation information leaflet

※We will hand it in a paper bag without a handle. Bring an eco bag for take-out

Please.

※One pack per person.

○Distribution method

There is no need to apply in advance or show proof of identity.

If it is difficult to make an offer, a special card is installed at the following installation location.

Please present it to the counter staff or present the screen below on your smartphone.
